FLE Learning

FLE Learning seeks to develop the knowledge and skills of both public and private sector actors on key new developments and issues in the area of law, trade, business, finance and economics by organising a variety of events, such as conferences, courses, training, and workshops.

In the past year, FLE has successfully organised twenty eight international academic conferences in which delegates from over 65 different countries participated, including Afghanistan, Algeria, Australia, Azerbaijan, Bangladesh, Belgium, Brazil, Bulgaria, Canada, Chile, China, Cyprus, Czech Republic, DR Congo, Egypt, Estonia, France, Georgia, Germany, Ghana, Greece, Hong Kong, Hungary, India, Indonesia, Ireland, Israel, Italy, Japan, Jordan, Korea, Kuwait, Lithuania, Malaysia, Mauritius, Mexico, Morocco, Netherlands, New Zealand, Nigeria, North Cyprus, Oman, Pakistan, Philippines, Poland, Portugal, Qatar, Romania, Russia, Saudi Arabia, Singapore, Slovakia, South Africa, South Korea, Spain, Sri Lanka, Sweden, Taiwan, Thailand, Turkey, United Arab Emirates, United Kingdom, USA and Uzbekistan. FLE has also organised and provided various intensive onsite training programmes to public sector organisations and firms in the past years to develop and improve their controls and systems so as to ensure effective compliance with financial crime laws and regulations. Registered experts from the company also provided technical assistance to different firms to develop their risk portfolio by assessing various risks facing the firm and to update and improve the firm's internal controls and systems to efficiently detect and prevent potential financial crimes.

FLE (previously known as 'FLE Legal Education') was established in 2005 as the foremost provider of the Qualified Lawyers Transfer Test (QLTT) in the Indian Sub-Continent and was set up with the support of the Law Society of England and Wales and the British High Commissioner, New Delhi. QLTT was conducted in India by FLE in conjunction with Central Law Training (CLT), UK, and successful completion allows practising Indian lawyers to be admitted to the Roll of Solicitors of the Supreme Court of England and Wales. The programme was launched in India to allow Indian lawyers to take this test while in their home country.

FLE Learning is not a part of, or otherwise affiliated, to the University of Oxford, nor the 10th Academic International Conference on Interdisciplinary Legal Studies-AICILS 2019 and/or 8th International Conference on Business, Economics, Management and Marketing-ICBEMM 2019 are University of Oxford and/or the Queen's College programs or activities.

Short Profile of Dr Liz Curran : Dr Liz Curran is an Associate Professor at the Australian National University (ANU) and is the Associate Director of the International ANU Centre for the Profession, Education and Regulation in Law (PEARL). Her recent work as a researcher is creating opportunities for lawyers to work in medical clinics to help patients with health problems that are linked to their legal issues. Her most recent embedded longitudinal research has explored incorporating justice in an integrated way, as a realm often left out of interdisciplinary/multidisciplinary practices with evidence showing ways it can better advance human rights adherence and protection. Liz in her research evaluates services looking at impact evaluation and shaping improved service delivery with numerous publications and international peer reviewed articles. She has also been calling for new approaches to practice and legal education based on her empirical research including the impacts of working in an interdisciplinary way to have an impact. Liz is a regular media commentator on access to justice and domestic human rights issues and was 'expert adviser' on the Law Council of Australia's 'Justice Project'. She is a Senior Fellow at Nottingham Trent University where she is now exploring 'New Approaches to Lawyering to Better Meet Community Need' emerging from findings in her empirical research and has had a book commissioned by Routledge UK. Departing at 1:00 from: **Vaults & Garden Café, University Church (Main Gate Entrance)**

Description of the Oxford Literary Walking Tour:

Oxford's magic has inspired generations of creative writers, some of them internationally famous, like J.R.R. Tolkien and C.S. Lewis, others known to a more restricted but discerning readership, like Philip Larkin and Beerbohm himself. Literary walking tour evokes many of these unique personalities and shows you the places where they studied and relaxed, were rapt by religious fervour, composed in mad erotic delirium, or drifted away into dreams of other worlds and other days. Our guides, noted literary experts, will take you round the centre of "that sweet city... with her dreaming spires" as Matthew Arnold phrased it, and give you a genuine flavour of Oxford's glorious literary past, and her vibrant present. Colleges will be visited so that the living atmosphere of the university, jealously preserved through long centuries, can be experienced just as it was by the writers themselves. The tour lasts for an hour and a half, giving plenty of time to wander and savour the delights of the 'English Athens': its halls, chapels, cloisters, and gardens which, as W.H. Auden expressed it, the rooks still haunt "like agile babies." The whole history of the English language can be traced in these ancient places, right up to a 21st century of dynamic change, and the resonant names of Shelley, Swift, Wilde, T.E. Lawrence, Gerard Manley Hopkins, Waugh, Amis, Philip Pullman and Le Carré will come to assume greater significance and fascination, even for those who know their work well. For those who do not, a whole new world of knowledge and imagination awaits discovery. **Length:** 90 minutes

15:00 AM to 17:00 PM **Explore Oxford through Oxford City Sightseeing** (Open top Bus)

Your Ticket for Oxford City Sightseeing (Open top Bus) is valid for 24 hrs on both Guide Friday GREEN and City Sightseeing RED buses and you can get on and off at any of the 19 stops on the tour – keep a hold of your ticket for re-boarding!

From any UK Airport to Oxford use National Express coach services. To book your ticket, please visit <http://www.nationalexpress.com/wherewego/airports/index.aspx>

Nearest Railway Stations

Amey Railways, Oxford Train Station, Park End St, Oxford OX1 1HS

Nearest Coach/Bus Stations

48 George St, Oxford OX1 2AQ, United Kingdom.

The bus station and railway station are both located about 20 minutes' walk from the College.

Taxis are available from both stations and should take about 5-7 minutes to reach us (traffic depending).

Car The city centre is avoided by approaching college from the north, ideally on the A4144 (Woodstock Road) or alternatively the A4165 (Banbury Road), both of which are accessible from the ring road. If using the M40 from the north, leave at Junction 9 and take the A34 southbound. From the south-east, leave the M40 at Junction 8 take the A40 northbound. This becomes the Oxford ring road (Northern Bypass), and you can then take the A4144 (Woodstock Road) from this. The best option for those coming from outside Oxford by car is to use the Peartree Park and Ride, close to the junction of Woodstock Road (A4144) and the A34. Park and Ride buses come straight down Woodstock Road and stop at the Radcliffe Infirmary, which is next door to GTC. There are pay-and-display car parking spaces in St Giles and the surrounding streets, but the centre of Oxford is often extremely congested. On-road parking near the College is almost impossible (most of this is residents only), and it will not usually be possible to arrange visitor car parking on the College site.

Coach There are very frequent services from London Victoria Station and Heathrow and Gatwick Airports, operated by Oxford Bus and Stagecoach ('The Oxford Tube' and the 'X90'). A less frequent service connects with Birmingham International Airport. There are connections with many other parts of the country, including a direct service to Cambridge. The central bus and coach station (Gloucester Green) is a 15-minute walk south of the College. There is a nearby taxi rank (across the square of Gloucester Green, outside the cinema).

Rail There are frequent direct trains from London Paddington and regular links northwards via Birmingham, southwards via Reading, and westwards via Didcot. Consult the interactive National Rail timetable. The Oxford central station is a 20-minute walk from GTC, but there is a taxi rank at the station. The new Oxford Parkway station is a fast train from London Marylebone to north Oxford. There are several buses, (2, 2A, 2D, and S5) that leave regularly from the parkway station to the Bevington Road stop, a four-minute walk from College. Consult the Chiltern Railways website for timetable.

Air The most convenient arrival airport is London Heathrow, from which there is a frequent express coach service to Oxford (see below). London Gatwick is a little further, but again there is direct coach service to and from Oxford. Birmingham International, Stansted and Luton have less frequent coach and/or rail connections with Oxford.

Note: Copy of the conference Programme will also be provided at the registration desk.
